

## Recommendation Letter

I, Sari Lakkis, assistant professor at the Lebanese International University would like to recommend Mr. Dani Nahle for Master studies.

I have known Mr. Dani Nahleh while teaching him several courses during his undergraduate studies and found him to be a very smart, highly devoted, and very productive student.

However, Mr. Dani Nahleh potentials and that has been shown by his scores where he was ranked first in 'Database Lab' with an average of 87/100 and second in 'Intermediate Programming with Objects Lab' with an average of 100/100.

Mr. Dani Nahle is a self-motivated person willing to learn and is a promising student in the field of research. He showed a good time commitment and discipline in his duties in both course assessments and projects. He was always rich in innovative ideas; I highly recommend him.

A blue circular stamp of the Lebanese International University (LIU) Administration is positioned to the left of a handwritten signature. The signature is in blue ink and appears to be 'Sari Lakkis'. To the right of the signature, the text 'Sari LAKKIS, PhD' is printed in a blue, sans-serif font.
